

IUD Theory Training - 2012

What will be covered in the theory session:

- current information about available IUD, managing problems,
- practice consultations and practice insertions (in dummies)
- pre-reading is provided

NB: If you want to become competent to insert IUDs in women, an additional clinical component will be needed, and is available through FPWA Clinical Services. All IUD clinic applicants are to complete the Clinical Practicum Application Form that details their experience and qualifications. The Medical Educator will approve applications, and successful applicants will be contacted by the Clinic Admin Officer. The Medical Educator will communicate with any applicants who have been unsuccessful for a clinical practicum.

Where: FPWA Sexual Health Services - Lecture Theatre, (upstairs)
70 Roe St (cnr Lake St), Northbridge

When: Tuesday, 21 February 2012 (*minimum participant numbers apply*)

Time: 6.00pm – 10.00pm (*prompt start at 6.00pm - latecomers will not be admitted*)

Cost: Kindly sponsored by Bayer HealthCare Pharmaceuticals. No fee to Doctors.

40 RACGP Category 1 CME points have been applied for.

For you to obtain Category 1 points, all components of the theory workshop must be completed:

- a pre-course questionnaire
- pre-reading
- cases to consider prior to the session
- attendance at the workshop (*latecomers will not receive points or certificate*)
- responding to a follow-up email or phone call

Those who do not complete all requirements may apply for points through an individual learning plan on the RACGP website
